## JOURNALISM EXPERIENCE

*Staff Reporter, Futurism* May 2018-Ongoing  
Pitching and reporting daily [science](#) and [technology](#) news stories as well as [feature articles](#).

*Freelance Journalist and Researcher* Ongoing  
Pitching and reporting news and feature stories for print and online publication. Work has been published in [Scientific American](#), [Popular Science](#), [Undark](#), [Popular Mechanics](#), [IEEE Spectrum](#), [Cooper Square Review](#) and others. Also conducting research for publications' largescale projects, such as *International Business Times*' cryptocurrency forecasts and *Fatherly's* ranking of the top employers for new dads.

*Editorial Intern, Live Science* September-December 2017  
Pitching and reporting daily [science](#), [technology](#) and [health](#) news, publishing one or two stories every day. Some common subjects were [robots](#), medical case reports, and historical finds.

*Editorial Intern, Inverse* May-August 2017  
Pitching and reporting stories for the [science](#) and technology sections of the website, averaging ten articles per week that were a balance of daily news and [deep dives](#).

*Managing Editor, Former Editor in Chief, Contributing Writer, ScienceLine* 2016-2017  
Running weekly meetings, directing and managing the publication calendar of an 11-person editorial staff at NYU's Science, Health & Environmental Reporting Program, and regularly contributing [heavily-reported](#) longform [stories](#).

*Founder, The Swordsman's Standard* 2016-Ongoing  
A start-up website featuring rankings of the swordsmen from various movies and TV shows. Fencing and martial arts knowledge is used to assess the realism of fight choreography.

*Acting Editor in Chief, Humor Editor, Non Cur Creative Magazine* 2013-2015  
Running editorial meetings, writing stories and columns, selecting and editing public submissions, and aiding in the design and publication of a satirical student magazine published twice per semester.
